Vape Dojo (r) electronic cigarettes store is now open in Ellicott City, Maryland. We have lots of different batteries (eGo), kits, juice (eliquid), drip tips, vivi novas, clearomizers, cartomizers, and accessories for ecigs (e-cigs).

We are open 10am-8pm Monday thru Saturday.

Come see us and check out the merchandise before you buy! No more waiting for a package from someone else and then being disappointed in the contents. No more buying overpriced and low quality kits from mall kiosks or convenience stores. :-)

Our prices are very reasonable. Our starters kits with eGo batteries and clearomizers are only \$12.99!

We also have a little lounge area where you can chill out and shoot the breeze if you wish.

Our address is:

3570 St. Johns Lane
Suite 104B

We will be happy to sit down with you and have a personal consultation.
