NiceCloud has the best prices of any B&M store in Toledo - with low overhead we can afford to bring your great devices at great prices! All USA made juice AND USA juice ingredients with carefully selected imported flavoring, we want the best from the USA and around the world and we don't import bottled juice from China. Having difficulty finding your "all day vape"? - NiceCloud can custom make just about any flavor you could possibly think of and are always working on new flavor combinations daily, so we always have something new for you to try. Ego starter kits come with Juice! When you start here you get EVERYTHING you need. Ego Variable Voltage - These are HOT! People are realizing daily that Variable Voltage is where it's at. We have them! These are not the ego twist that doesn't give you much functionality, these are the EgoV - they give you every step from 3.1 all the way to 6.0. Not 3.5 - 4.0 ect. Smoktech SID MOD

E-Cigarette Brands:: EGO, EGO-V, Smoktech SID, EGO dry herb, EGO wax
