We are a locally, owned and operated business started in Eastern North Carolina. Currently we sell online, at promotional shows & flea markets, and are now located in a kiosk at Golden East Crossing Mall in Rocky Mount, NC. We both have been involved in retail before and have experience in customer service; however, we both always strive to improve and give our customers our utmost attention.

Former smokers, we both are vapers who felt so much better after we gave up analogs and started vaping that we wanted to share it with others!

We offer quality electronic cigarettes for those who are new to the vaping world and for those who are continuing to enjoy their vaping experience using e-cigs.

E-Cigarette Brands:: Joytech, iTaste, Innokin, Kanger
