JAC Vapour's Edinburgh store is located in the Morningside area of the city. It stocks the full range of products that can be found on the online store including electronic cigarette starter kits, e-liquids, batteries, cartomisers, atomisers, tanks as well as a wide range of vaping accessories.

There is something there for everyone, from people still considering switching to vaping through to confident and advanced vapers.

The store also features our Vape Bar where you can sample our e-liquids before you decide which ones to buy. This includes our UK Made range, our Clear Steam vapourless range as well as picNIC our new easy mix DIY e-liquid range.

Our friendly staff will be more than happy to offer and advice should you need it.
