As a fellow vaper, I've sampled the e-Juices offered by dozens of my competitors. On my mission to find the perfect e-Liquid blend at a reasonable price, I decided to formulate my very own brand of e-Liquid. Why are our prices so affordable? Because Slim's e-Juice purchases all of our ingredients in bulk quantities at wholesale prices straight from the manufacturer, and we pass those savings on to our customers.

At Slim's ejuice the customer is number one and we love to hear from you. If you have any questions, do not hesitate to contact us by clicking the link on far right of the top menu bar. We also want to hear what you think of our ejuice, so contribute reviews on any of our standard or signature mixes by clicking on the "Reviews" tab on each product page. We look forward to serving all your vaping needs now and in the future. Vape On!

Sincerely,
Slim & Slim's Crew
