The TABlites electronic cigarette store is situated in the increasingly popular area of the Northern Quarter, right in the heart of Manchester City Centre. We supply everything vaping related, whether that's e cigarette batteries, tanks or accessories. We also have a huge selection of e-liquid from some of the biggest vaping names in the world. Our central Manchester location is easily accessible from the main train stations and bus stations across the city. Our staff are all vaping experts who are able to give advice to beginners and expert vapers alike. We also offer a try before you buy service, so you can be sure you're getting the right gear.
