Our Story So Far...

Welcome to Vintage Vape Rooms, born from one of Ireland's first vaping companies established in 2009. The goal at Vintage Vape Rooms has always been and still remains to be in creating the finest atmosphere for the consumer as an experience rather than the oftentimes sterile and impersonal nature of modern shopping.

We are a dedicated team of experienced vapours with a wealth of knowledge in this ever-expanding movement and are here to help with any questions you may have whether you are just a beginner or a crazy vape trick artist building customized mods.

Vintage Vape Rooms pride ourselves with only stocking brands that we have tried and tested ourselves and will continue to do so with a myriad of new products being released on a daily basis.

As well as our online store we also have two retail stores in Stillorgan & Temple Bar, Dublin. So feel free to pop in or drop us a mail here if you have any questions.
